HONDA CAMPUS ALL-STAR CHALLENGE

YOUR CHALLENGING SPIRIT

HONDA

Honda congratulates the Honda Campus All-Star Challenge Class of 2006. You are now part of an elite group of individuals who have improved their schools, themselves, their communities and the lives of others.

Our theme for the 17th Annual National Championship Tournament was "Your Challenging Spirit." Over the years, we have helped our players, volunteers and staff connect and form lifelong friendships.

You've made plans to contact each other over the summer. You're looking forward to getting to know each other even better. You're on your way to becoming friends for life.

Remember to keep in touch with your newfound HCASC family. You've shared some great times already, and you have years of memories in the making.

Please enjoy this keepsake of the 2006 Honda Campus All-Star Challenge. As you reflect on the competition, excitement, enthusiasm and friendship we shared this year, we hope you will remember this time as a special moment in your college life.

History in the Making: The Story of the Honda Campus All-Star Challenge

In 1989, American Honda Motor Co., Inc., established the Honda Campus All-Star Challenge as a way to showcase and recognize the academic talents of students at America's Historically Black Colleges and Universities (HBCUs).

Every spring, students, coaches, campus coordinators, volunteers, HBCU presidents, the Association of College Unions International, and the National Association for Equal Opportunity in Higher Education gather to crown one National Champion.

Over the past 17 years, more than 50,000 HBCU students have participated in the Honda Campus All-Star Challenge, and Honda has committed millions of dollars in grants and support to the program. These grants have enhanced student programs, and the students' college experience.

HCASC alumni have gone on to pursue careers in science, medicine, aeronautics, industry and government. Many graduates are still active in HCASC through campus activities and team training.

Today, HCASC remains the first and only academic competition of its kind, and its alumni continue to contribute to their alma maters and their communities.

The Varsity Scholars and coach graciously applaud their competitors after the championship finals.

Alumni join the team on stage for an impromptu celebration.
