

HONDA

On behalf of Honda, I congratulate the Honda Campus All-Star Challenge Class of 2008. You have distinguished yourselves in a special way. The fact that you gave your best in the competition did not go unnoticed. I share the thoughts and expressions from your coaches, presidents and families when I say I am very proud of you. And you should be proud of yourselves. You have demonstrated that you are worthy to be called the leaders of tomorrow.

My hope is that the HCASC experience will serve as a springboard, launching you toward even greater and higher pursuits. An added benefit to your participation is that you have made new friends who share your passion to pursue excellence. Now that the competition is over, remember to keep in touch with your new HCASC family.

Please enjoy this keepsake of the 2008 Honda Campus All-Star Challenge. As you reflect on the competition, excitement, enthusiasm and friendship we shared this year, I hope you will remember this time as a special moment in your college life.

A handwritten signature in black ink that reads "Marc Burt". The signature is fluid and cursive, with a long horizontal stroke extending from the end of the name.

Marc Burt
Senior Manager, Office of Inclusion and Diversity

History in the Making: The Story of the Honda Campus All-Star Challenge

In 1989, Honda established the Honda Campus All-Star Challenge as a way to showcase and recognize the academic talents of students at America's Historically Black Colleges and Universities (HBCUs).

The program starts in the fall at dozens of institutions across the country. An on-campus tournament is followed by weekly practices and study sessions. Later, schools prepare for the national championship by attending up to two intramural tournaments.

Every spring, students, coaches, campus coordinators, volunteers, HBCU presidents, the Association of College Unions International, and the National Association for Equal Opportunity in Higher Education gather to crown one National Champion.

Over the past 19 years, more than 50,000 HBCU students have participated in the Honda Campus All-Star Challenge, and Honda has committed millions of dollars in grants and support to the program. These grants have enhanced student programs and the students' college experience.

HCASC alumni have gone on to pursue careers in science, medicine, aeronautics, industry and government. Many graduates are still active in HCASC through campus activities and team training.

Today, HCASC remains the first and only academic competition of its kind, and its alumni continue to contribute to their alma maters and their communities.

Oakwood and Alcorn Captains exchange congratulations after the nail-biting championship thriller.

Oakwood celebrates their first Championship.

PLAYER ALUMNI HALL OF FAME

The Honda Campus All-Star Challenge Player Alumni Hall of Fame was established to acknowledge former HCASC players who have succeeded in their chosen career and life paths and to facilitate their becoming mentors for the current generation of HCASC players.

In 2004, the first five player alumni were honored. Since then, 11 more player alumni have been inducted. These former players represent the excellence that comes from studying hard, networking, applying oneself and most of all, from pursuing a life goal with all your intellect, heart and soul.

2008 Inductees

GRACE LOCKRIDGE
Langston University

RANDY JOHNSON
North Carolina Central University

ERNIE JONES SPORTSPERSON OF THE YEAR

2008 Awardee

MARVIN G. NORMAN
Texas Southern University

The Sportsman of the Year Award is named in the memory of one of our early leaders and most cherished friends, Mr. Ernie Jones. Good sportsmanship is a commitment to fair play, ethical behavior and integrity. It best exemplifies the values of team spirit, camaraderie, and good sportsmanship along with academic focus.

2008's honoree is a level-headed and grounded individual who is a role model and an inspiration – not only to teammates but to opponents as well. His willingness to offer encouragement to others, keen sense of humor and exceptional “memory” skills differentiated him from the other nominees.

Hailing from Houston, Marvin Gabriel Norman is a business management major from Texas Southern University. He is pictured with Ernie's wife, Rosalyn Jones, who has been a volunteer since the program's inception.
