CELEBRATING 20 YEARS

2009

HONDA

IN AMERICA

HONDA

Honda congratulates the Honda Campus All-Star Challenge Class of 2009. Your achievements during this 20th annual competition are a testament to your academic preparation, mental prowess and grace under pressure.

50 years ago, a small motorcycle company began its American operations, and American Honda was born. 20 years ago, Honda joined with America's Historically Black Colleges and Universities and Honda Campus All-Star Challenge became a yearly gathering of the nation's best and brightest.

HCASC has created traditions, rivalries have flourished, and each year the competition has renewed itself with greater enthusiasm. Tens of thousands of students, faculty and staff have joined the HCASC family under the theme of making "Friends for Life."

As you look through these pages, it is hoped that the pictures evoke fond memories and provide a basis to expand new and existing friendships. More than anything, that is the legacy of the Honda Campus All-Star Challenge. Enjoy this yearbook, and best of luck in your future endeavors.

History in the Making: The Story of the Honda Campus All-Star Challenge

In 1989, Honda established the Honda Campus All-Star Challenge as a way to showcase and recognize the academic talents of students at America's Historically Black Colleges and Universities (HBCUs).

The program starts in the fall at dozens of institutions across the country. An on-campus tournament is followed by weekly practices and study sessions. Later, schools prepare for the national championship by attending up to two intercollegiate tournaments.

Every spring, students, coaches, campus coordinators, volunteers, and HBCU presidents, gather to witness the competition for the title of National Champion.

Over the past 20 years, more than 50,000 HBCU students have participated in the Honda Campus All-Star Challenge, and Honda has committed millions of dollars in grants and support to the program. These grants have enhanced student programs and the students' college experience.

HCASC alumni have gone on to careers in science, medicine, aeronautics, industry and government. Many graduates are still active in HCASC through campus activities and team training.

Today, HCASC remains the first and only academic competition of its kind, and its alumni continue to contribute to their alma maters and their communities.

Oakwood invited their scrimmage partners from Alabama A&M to join them onstage at the awards ceremony.

Oakwood confers on a bonus during their second Championship title game.

PLAYER ALUMNI HALL OF FAME

The Honda Campus All-Star Challenge Player Alumni Hall of Fame was established to acknowledge former HCASC players who have succeeded in their chosen career and life paths and to facilitate their becoming mentors for the current generation of HCASC players.

In 2004, the first five player alumni were honored. Since then, 13 more player alumni have been inducted. These former players represent the excellence that comes from studying hard, networking, applying oneself and most of all, from pursuing a life goal with all your intellect, heart and soul.

ERNIE JONES SPORTSPERSON OF THE YEAR

2009 Awardee

GENNIFER L. ROBINSON
Sojourner-Douglass College

The Sports person of the Year Award is named in the memory of one of our early leaders and most cherished friends, Mr. Ernie Jones. Good sportspersonship is a commitment to fair play, ethical behavior and integrity. It best exemplifies the values of team spirit, camaraderie, and good sportsmanship along with academic focus.

2009's honoree is a level-headed and grounded individual who is a role model and an inspiration – not only to teammates but to opponents as well. Her willingness to offer encouragement to others, keen sense of humor and good-natured personality distinguished her.

Hailing from Baltimore, Gennifer is a Human Services major from Sojourner-Douglass College. She is pictured with Ernie's wife, Rosalyn Jones, who has been a volunteer since the program's inception.
